Re: Application of Aeneas Communications, LLC
Docket No. 99-00415

Dear Mr. Waddell:

Pursuant to questions from David Hood, Aeneas Communications, LLC ("Aeneas") hereby provides an original and thirteen (13) copies of the following information to supplement its application, which was filed on June 10, 1999. Because certain portions of this submission contain confidential and proprietary information of Aeneas and Aeneas Internet Services, LLC, those portions are being filed separately under seal pursuant to TRA Rule 1220-1-1-.03(8). Aeneas requests that the information filed under seal not be disclosed to the public or to any of its competitors.

1. In your application filed on June 10, 1999, Exhibit 2 contained a brief narrative describing funds available to Aeneas. In the July 19, 1999 supplemental filing, the corrected Exhibit 2 did not contain this information. Is the narrative information from the original Exhibit 2 still valid.

Response: Yes. The narrative contained in the original Exhibit 2 was inadvertently left out of the corrected Exhibit 2 filed July 19, 1999. Attached is a copy of the narrative which should be incorporated into the corrected Exhibit 2 filed on July 19, 1999. Aeneas is filing this addition to the corrected Exhibit 2 under seal as confidential information pursuant to TRA Rule 1220-1-1-.03(8).

2. Was the cash flow analysis filed as Exhibit 6 with the July 19, 1999 filing for Aeneas Communications, LLC or for Aeneas Internet Services, LLC?

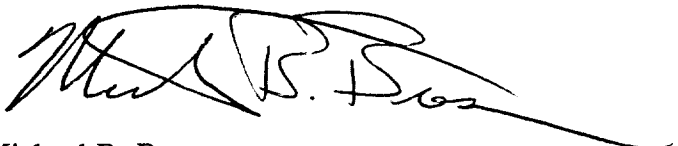

Response: The cash flow analysis is for the Applicant, Aeneas Communications, LLC.

If you have any questions concerning this information or other information provided by Aeneas Communications, LLC, please call me.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
